**Meeting Room Availabilities**

**Meeting Room Needs Met?** Yes

**Additional Information** We have 2 viable options for the meeting space requirements. 1 is our boardroom, however it has a large boardroom style table that is a permanent fixture in it -- but it does lock and could be reserved for the entire time - with 24 hour access -- or we do have a small office space near our meeting space that could be used for the entirety of the time requested. It just won't really hold 3 classroom style tables. We do also have a public meeting space that is open 24/7 that could be utilized for interviews and such. We just do not want to put you somewhere that the office equipment would need to be relocated. If there is someone local that could come view the 2 spaces and meet in person, I am sure we could find a solution that will work best for your requirements. Meeting room charges, because we are in our Peak Season during this time would be as follows: day 1: \$100.00++ (+ tax / +service charge) day 2: \$75.00++ day 3: \$50.00++ day 4: \$25.00 day 5: comp. Then it would start back at the day 1 price and repeat the same cost pattern for the entirety of the 39 days. This would give you 24 hour access, and a secured room, as well as space to set up an office.
